<회의 내용>

M: Our meeting is ending, but we still have a problem to discuss further.
It is about **our new retail store in the downtown area**.
Unfortunately, it hasn't been getting as many customers as we had expected.
It seems that we need to come up with ways to **promote the store** to the area.

W: You are right. I also just found out that their sales are quite low.
We should fix this problem as soon as possible.

M: It is important to think how to **attract more customers and increase the sales**.
We already **put some advertisements in the local newspaper last month**.
What else can we do? If you have any idea, please call me today.

☆ Point !

문제점	Our new retail store is not getting enough customers. -> their sales are low -> So, we should promote our new retail store.
limitation	We already put some ads into some newspapers.
해결책	1) <u>We can post our advertisements on the Internet.</u> -> So many people use the Internet every day. -> Many Internet users will learn about our retail store and visit us. 2) <u>We can give our existing customers some discount coupons for our new products.</u> -> They will come to our store to use our new products at a low price.

MODEL ANSWER

인사>

Hello, this is Kim and I am calling about the problem from our meeting.

문제점>

I understand that we currently open a new retail store.

But the store **isn't getting enough customers and the sales are low.**

So, we are thinking about how to promote our new store

other than **putting advertisements in the newspaper** because we already did it.

해결책 1>

First, I suggest that we should **post some advertisements on social media.**

So many people use the Internet and social media every day.

They will see and learn about our retail store and visit us.

해결책 2>

And, why don't we **give our existing customers some discount coupons for our new products?**

Then, they will come and buy our new products at a low price and

we can solve this problem.

끝인사>

If you have any questions, please call me anytime. have a nice day!
